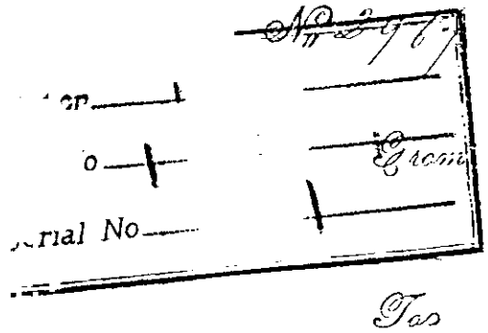
MYSORE CHIEF COMMISSIONER'S OFFICE, BANGALORE.
AUDIT AND ACCOUNT DEPARTMENT.



Dated 18th February 1870

To

The Deputy Accountant General, Mysore

The Secretary to the Chief Commissioner,
of Mysore.

Sir,

I have the honor to report on the application for Pensions on behalf of 3 men of the Bangalore Cantonment Police forwarded with the Superintendent's letter to your address No. 3811/73 dated 18th November last accompanying.

2 The Superintendent of the Division having stated that the proposed Pensions were payable from the Bangalore Police Superannuation Fund, I have obtained from him a Statement of the particulars of the service of the applicants and the period and amount of their respective subscriptions to the Fund, but as the Government of India to whom the rules proposed by the Chief Commissioner for the Administration of the Fund (Copy enclosed) has refused sanction to its formation on the ground that similar Funds have been abolished by an Act of the Legislature in British Territory, the present cases require to be dealt with on special considerations.

3. None of the applicants have contributed to the Fund for more than 12 years 2 months, the minimum period prescribed in para 10 of the rules as to

entitling

Names	Rank	Service rendered to Fund	Total Service	Amount of Subscription

2. Chuckler	1st Class Constable	8	11-3-25	12-2-0	26-5-25	29-2-0
3. Lakshmanappa	Acting Sergeant	10	14-10-0	12-2-0	27-0-0	29-7-0
4. Shaik Pir Saheb	Constable					

*(Superintt's No. 1430/57 dated 12th January 1870 enclosed.)

+ Act 10 of 1869. See Foreign Secretary's letter No. 92 D/10th Aug/69 to address of Chief Commrs.

entitling subscribers to a pension is 20 years, and for the actual period of their subscription, the 3 men are only eligible for a gratuity from the fund of 5 months pay. On the other hand their entire service in the Police extends to a period of 26, 27, and 29 years respectively. This does not entitle them to a pension or compassionate allowance from the State as the term of service provided for such an allowance is 30 to 35 years but the men belong to the class of uneducated Officials drawing less pay than 10 Rupees per mensem for whom as a special concession in Mysore the Government of India in Orders No. 3064-71 31st August 1/9 has sanctioned, in lieu of compassionate allowances the Grant of a Gratuity at the rate of a months pay (at last 3 years average) for each years service.

Exclusion of fund for less than 5 yrs. of service

4. For the period they subscribed to the fund the 3 men might strictly speaking be required to accept a gratuity of 5 months pay as contemplated by the fund rules, and for their previous service as non-subscribers they seem entitled to receive from the State a further gratuity at the rate of 1 months pay for each years service, but it would be manifestly inconsistent to give them less for the time they subscribed than for the time they drew their pay free of fund deductions.

5. I am of opinion therefore that the 3 men should be treated as other public servants of the same class allowing the two who have drawn less than 10 Rs. pay a gratuity of one months pay at last 3 years average for each year of their entire service as calculated in the margin, their subscriptions in the Superannuation Fund being transferred to Government.

6. The case of the Head Constable Moolapah who has been about 9 3/12 years on more than 10 Rupees and was drawing Rs. 20/ at the time of retirement may be dealt with partly under the Special Gratuity rule already cited for the time he drew less than 10 Rs. per month and partly under the general Gratuity rule for the period he drew more than 10 Rs. his subscription to the Fund being credited to Government.

7. As cases similar to those now reported on are likely to occur in the Bangalore Police, and the Members of the Force continue to pay their subscription to the Superannuation Fund, looking forward doubtless to the pensions provided for by its rules. I submit that it is advisable that the conditions on which Pensions or Gratuities will hereafter be granted should be definitely settled at an early period. The Foreign Secretary's letter No. 92 dated 10th May 1869 already quoted seemed to promise a further Communication on the subject for the Chief Comm.r's Consideration and I would suggest that attention may be drawn to it with a reference to the orders of Government of India No. 3044 dated 31st August 1869 allowing Gratuities at the rate of one months pay for each years service in lieu of pensions, to all uneducated classes of Officials in Mysore drawing less pay than 10 Rupees per month.

I have the honor to be
Sir
Your most Obedient Servant

Deputy Accountant General
of Mysore.

Reference to the Chief Commissioner's remarks
on the subject that the saving of Rs 1920/
in reductions in the office of the Cantonment
Magistrate, though a reduction in a separate
office Establishment, was still only possible
owing to the Police Department undertaking
the duties which had hitherto been performed
by the abolished Establishment. The Horse
allowance of 3 Head Constables, Rs 360——
and Rs 600/ in house rent are also savings
to be considered with reference to the in=
crease above mentioned of Rs 2886——

Rs 1920—— Rs 360—— Rs 2280—— Cantt saving

Rs 600—— Part Districts & part Cantonment used Police Lamps

11. Though on the reorganization of
the

the present force, and consequently Dr Orr & myself agreed with Major Gomperts, that the increase he proposed was necessary & could not be met by re-adjustment of existing charges.-

III At one time, I thought that of the proposed increase, an European Chief Constable might be struck out, but on reconsideration this hardly appeared to be advisable, seeing that the European & East Indian element in the Cantonment was pretty considerable.

IV The ratio of cost of this proposed increase (viz 1/3 of Rs 4328 or Rs 1,443) that would fall on the Cantonment Munic

Board

meeting Consisting of the Town and Cantonment Magistrate, President of the Municipal Board and myself to Consider fully the duties and employment of the Police within Municipal limits. At the first Meeting not much was done as it was necessary to furnish Dr Orr with certain particulars as to Strength, Nature of duties and Cost &c of the Police within Municipal limits: At an adjourned Meeting however, the subject was more fully gone into & discussed & we unanimously arrived at the Conclusion that owing to the multifarious duties of

the

Municipal limits; and, taking into consider
=ation the rapid growth of this place both
in extent and importance, I believe the Con
=clusion arrived at is correct.—

2. Reductions may be effected in the
Salook Establishments, and under this heading
a saving will at once be practicable on
receipt of the Civil Revision Scheme, but
I fear we shall get into difficulties if we
lower the remaining Salook Establishments
too much.—

No. 885. Deputy Superintendent's Office
Bangalore

From Supt Bangalore
No 826 dt 11th Oct 1884
From Dy Supt Kolar
No 885 dt 11th Oct 1884

to forward herewith Copies of the marginal noted letters for the information of the Chief Commissioner. —

2. It will be observed from the Deputy Superintendents' letter that the proposals made by Major Gomperts to increase the strength of the Police within the Municipal limits of the Town and Cantonment of Bangalore, have been fully considered by the Deputy Superintendent of the District and the President of the Municipal Board, and that these Officers, for the reasons already stated by Major Gomperts, are unanimously of opinion that the Police Force should be

introduction of the new scheme approved by Government, and as the strength and Cost of the Separate Police Establishments at present attached to the Town & Cantonments and to the District must always be dependent on entirely different Circumstances and Considerations. —

4. With reference to the above remarks and the Conclusions arrived at by the Deputy Superintendent and the President of the Municipal Board, and with reference also to the requisitions contained in the 8th para of your letter

of

to the Building occupied by the Govt
ment Magistrate; of Rs 360/ being the
Amount of horse allowance retrenched
from the pay of 3 Head Constables, and
of Rs 120 being the retrenched pay of one
European Chief Constable reduced from
a salary of Rs 50/ to 40/ per mensem. All
the above savings may, I am of opinion
be Considered permanent. —

7. The increased charges now
proposed Amount to Rs 4328/ per annum
and are made up of the following items.
Rs 960/ being the pay of 2 Extra European
Chief Constables.
Rs 552/ being the pay of 4 Extra Serjeants

District Police and the probable future cost & strength when the Village Police of that District have been organized.—

10. In the present total annual Cost of the Police shown as Rs 89,248/ a saving of Rs 2,160/ has been already effected during the year by the abolition of 12 Gomastahs. Any further reductions however, I am of opinion are not at present advisable, as already noticed by me in my letter No. 892/95 dated the 15th of July last, but reductions will become feasible from time to time as the provisions of the New Police Scheme are gradually introduced

of the Superintendent should not be taken as a saving, but should be put for the general benefit of the Police Administration of the Province by being held available towards meeting the Salary of a Deputy Inspector General of Police for the Province.—

I have the honor to be
